Good Afternoon and Welcome to Kiwanis

Prez Sez

Get your rib tickets here! Well, actually the tickets will be here next week. This is for our support of the Key Leader program.

Key Leader is a leadership experience for today's youth leaders. It focuses on service leadership as the first, most meaningful leadership development experience. A Key Leader learns the most important lesson of leadership—leadership comes from helping others succeed.

For years our district (and this club) sent youth to attend the Hugh O'Brian Youth Leadership seminars. In 2003, Kiwanis International decided to develop its own youth leadership experience that integrated the Kiwanis program of service. Thus, Key Leader was born.

Kiwanis International continues to support the Key Leader program, sponsoring more than 50 weekend experiences throughout the world annually.

Plan to help the first week of February as we rub ribs, make many folks happy with a great product and help build leaders in service.

It's great to be a Kiwanian!

TODAY'S SONG

SMILE

Smile and the world
smiles with you sing a song.
Don't be weary,
just be cheery all day long.
Whenever your trials,
your troubles and your cares
seem to be more
than you can really bear.
Smile and the world
smiles with you sing a song.

This would be great if we could have an interclub. Let me know if you are interested. We will have a little time to think on it. - Lyndal

Hello Kiwanis Leaders.

I want to let everyone know about a "Special" occasion coming up on Wednesday, February 29. Our Kiwanis International President, Alan Penn, and his wife Jerri, will be flying into Little Rock on their way to the Mid-Winter Conference in Springdale. We have invited Alan to come and tour Camp Pfeifer in Little Rock Wednesday morning and then have lunch with the Conway Club.

We would like to invite any Kiwanians that can make this meeting in Conway, to please do so. We would love to have a great turnout to meet and welcome President Alan. Depending on the interest and response we receive, we have plans to move our meeting to the Agora Event Center here in Conway. We will be having a buffet lunch that day for a cost of \$15 per person. This will cover lunch, tip and facility rental.

I know there are other clubs that have their weekly meetings on Wednesday; why not just move your meeting that day to Conway. Come meet the President of Kiwanis International. We would love to have you.

In planning this event, we need to know the interest that other clubs and members might have in attending. Please discuss this with your members or board of directors and let me know how many, if any, of your membership would be interested in attending. We need to have a pretty close estimate for planning purposes.

I would appreciate a response (whether attending or not) from all clubs within the next week. Please let me know how many, if any, would be interested in attending this event. I hope many Kiwanians will be able to make this lunch meeting. I look forward to your response.
